Proposal Narrative

Amount Requested \$ _____

Project Abstract (*Give a 2-3 sentence summary of your proposed project, 350 characters max*)

Description and Objectives of Project (*What will you be doing, how will you be doing it—and why is it important?*)

How does your project help support environmental education for Idaho's youth?

Project Impact (Who will be served (teachers, students) and how many? What geographical area(s) or municipalities will be served by your project?)

How will IdEEEA grant funds be used to support your project objectives?

Itemized Budget (Please included a detailed breakdown that justifies the amount you are requesting from IdEEEA. What specific items or services will the grant money provide, and how did you calculate costs? Be as specific as you can.)

3 of 3

Are you requesting funding support for this project from any other sources? If so, please describe below.

Assessment (how will you evaluate the success of your project?)
